

What is the Status of the Regional Water Planning Group (RWPG) Process?

The 2021 Regional Water Plans were submitted to the Texas Water Development Board (TWDB) by November 5, 2020. These plans were approved by the TWDB in January 2021. The TWDB approved the 2022 State Water Plan in July 2021 and data may be viewed via the Interactive 2022 State Water Plan Website. Regional water planning groups are currently developing the 2026 Regional Water Plans.
